WHOLESALE LIST OF SURPLUS IRIS

Your Guide to Quality Iris at Rock Bottom Prices

AVAILABILITY OF STOCK: This year my wholesale list is going simultaneously to over 1,800 nurseries. So you can see that to stand a reasonable chance of getting all the stock you want you will, at the very least, have to order at once and by Air Mail.

QUALITY OF STOCK: All will be first class single rhizomes, freshly dug for your orders and promptly shipped. All stock guaranteed true to name and to reach you in good condition. Our mountain-grown stock thrives in every state.

TERMS: Prices are F.O.B. Placerville, cash with order. Shipments sent express collect, or C.O.D. for the postage, unless you enclose postage at the rate of 6c per rhizome for all except Dwarfs, Lilliputs and Arils, which are 3c per rhizome. Minimum postage is 50c. Minimum wholesale order at these low prices is \$10.00. If less, please add 50c to help pay packing costs.

SUBSTITUTES: If substitutes or larger numbers of some kinds are acceptable, it will be decidedly to your advantage to let us know, or give us a list of other varieties you need, to use as alternates if needed.

If you do not list second choices nor say "no substitutes," we will assume you wish us to select any needed substitutes, rather

than to hold up your order and write you.

EXTRAS: We always add generous extras to wholesale orders of \$15.00 or more. Where stocks permit, we will select these in part from some you suggest for possible substitutes.

TIME LIMIT: These prices apply to orders postmarked Oct. 3. 1958 or earlier. Later shipments made only if especially arranged for.

MAKING UP YOUR ORDER: Please give, for each variety ordered. the quantity, the applicable each price, and the total.

CATALOG: Refer to my 1958 or earlier catalog for descriptions and order blanks. Full-color catalog is normally 25c, but is free to all nurseries or dealers interested in ordering sale List. If you do not have my catalog, send Air Mail for your, 5. Lepartment of Agriculture to all nurseries or dealers interested in ordering from this Whole-

VARIETIES NOT ON THIS LIST: If the ones you want are not on this list, nor on the Sold Out list on page 7, they may still be ordered directly from the catalog, and included on the same ordewashington 25, D.C. with items from this list.

ADDRESS: Please include the "Dept." letter shown in the address above, so we will know you are entitled to these special prices.

COMPLETE CLOSE-OUT-ALL ARIL IRIS

COMPLETE CLOSE-OUT—ALL ARIL IRIS

Due to pressure of work in hybridizing a new race of summer and fall blooming Iris, I am discontinuing all of my Arils just as soon as stocks can be liquidated. All or most of the Oncos will be disposed of this fall, and Regelias and Oncogelias this fall and next. So this is your very LAST CHANCE to get most of this material. Much Onco material (rare species, new named and numbered pure Onco Hybrids, superior selected clones of Gatesii and Sari) is available in quantities too small to list separately below. But if you would like a fine assortment before it is all gone (in addition to what you order below), just add \$10.00 to \$100.00 to your order, and I'll send you Onco stock worth two to three times what you have paid for it. An opportunity never to be repeated!

Fine planting stock in the smaller sizes is also available of the Oncos, Reglias and Oncogelias listed below, and at 6 for the price of 3, 20 for the price of 10, etc.
